

2014 Championship

To be held at the Ritchie Center on the
University of Denver Campus

2240 E Buchtel Blvd
Denver, CO 80208

The 2014 Rocky Mountain Color Guard Association season will be culminating at the Championship contest. The Unit Directors have asked for a venue that will allow the students to shine and the parents to watch comfortably. The DU Ritchie Center was chosen because of the central location to our units, the wonderful performance venue, the comfortable spectator seating and the near perfect warm-up space for the students prior to their performance.

Please join us in celebrating our performers at this great event!!!
