Each guard gets 10 min to use, including set up and tear down. Each guard will do at least one run though but they could do two depending on their readiness and show length. Judges will make commentary and scores. Select commentary will be provided to the units, others will be used for training purposes of the judge. Scores will not be provided to the units. Shirley Dooritsee and William Chumley will make overview commentary for each team. We will not be using Competition Suite to provide you with the commentary. Please bring a flash drive for your commentary.
