The pictures must show any obstructions in these areas. * Pictures are rarely posted on the website, but I think it would be nice to see them (especially for new show sites).

* If you have hosted a show in the past, contact the contest director if you want to see if your specs are on file.

Bingo units will not be allowed to transfer funds as a way of providing a contest host deposit. Everyone must send a paper check to secure their postmark date.

All shows will be run by The Rocky Mountain Color Guard Association Contest Director and will follow WGI Rules. The Board of Directors must approve all exceptions.

Shows will go to the location with the best bid, as determined by the Board of Directors in conjunction with the Task Force.

All sites are subject to inspection by a member of the Board of Directors and/or Task Force. Every attempt will be made to ensure that all units submitting applications get a show, even if it means changing the format for that contest to work in that school. However, good facilities will get first rights on all contests.

If you would like to host two or more contests, please note which date is your first choice.

If you can host on of the Exhibition (Evaluation) days, you will receive ½ of your 2018 membership dues paid and also priority on hosting another contest if competing sites are comparable. If you can host the WGI Regional, compensation will be discussed and agreed on between the site and RMCGA. You will also receive priority on hosting another contest if competing sites are comparable. This will allow the sponsor of these contests the opportunity to have fund raiser as well as help RMCGA host these two important, but not traditionally profitable, events.

The postmark deadline for applications is **December 1, 2017**. No decision will be made on any contest host before this date. The contest schedule will be distributed on December 15.
