Meeting Minutes

November 4, 2018

11:00AM

Douglas County High School

1. The meeting was Called to Order by President, Jenn Carrasco.
2. There was no old business.
3. Upon motion of Corrine Greenrod, seconded by Krystal Farley the Meeting Minutes from May 21, 2018 were approved.
4. Peggy Sparks, Treasurer, reviewed the 2019 budget. Upon motion of Scot McGiveron, seconded by Elisa Orrill and with a majority vote of attending members, the 2019 Budget was approved.
5. The Membership discussed the membership dues increase. The membership dues have increased due to the Denver Regional being included in the RMCGA dues. The breakdown of the dues are on the information sheet in the Membership Application. If units have already registered and paid for the Denver Regional prior to submitting the RMCGA Membership Application they will need to pay the lower fees indicated on the application and send their registration information to the secretary (rmcga.secretary@gmail.com). At this time, any units not wanting to compete in the regional will need to send the Board an email for discussion if they believe there is good cause to be exempt from paying the extra fees. The Board will only grant exceptions based on extenuating circumstances. All units not yet registered for the regional will need to indicate Peggy Sparks as their financial delegate when registering for the regional and pay the increased dues to RMCGA.
6. The new classification information is on the RMCGA website (rmcga.org). If a unit is competing in Scholastic AA in RMCGA they are able to choose to compete in the Scholastic Regional A Class OR Scholastic A Class in the Denver Regional. The decision is at the discretion of the Director.

7. Contest sponsor applications are due December 1st, 2018. Currently there are 2 applications submitted.
8. Some members were interested in attending a local show on April 6, 2019 which is the same weekend as WGI. The show would likely need to be a modified format, potentially a friends and family type format.
9. Peggy notified the membership that at least one more group is needed for Bingo games on Sunday. The group that would assist at Bingo would get a share of the profit from each game. Contact Peggy Sparks for details (pegsparks@aol.com).
10. Upon motion of Daniel Isaac, seconded by Heather Laswell, the meeting was adjourned.
