Event Complete-Clear Building						9:11 PM

Option 1 - For groups who do not have a sufficient amount of show complete/staged. The judges will work with your kids on whatever you feel your needs are for your team.

Option 2 - Runs just like a normal show day (with appropriate intervals for class). Teams perform and then attend critique to receive feedback. Critique will run in performance order for 10 min each group.

Option 3 - 20 minute intervals to perform your show and get immediate conversation with KC Michel and William Chumley

This event is not open to the public. Please, only supporters of the units performing.

You must pack your coats, equipment and props into your vehicle as soon as possible after the completion of your performance. There will be little storage space for this event.
